

Keeping Up With The Kids! January 25, 2024

Ranch Manager Message

Ag4Youth is busy welcoming 16 new kids into the program. They range in ages from 9 to 14 years. All of the kids will start out with goats or lambs! We are getting pens ready for animals to arrive in end of February/ first week of March. Steer kids are here, rain or shine, getting ready for the March Jackpot show. Steers are a 10-month project and a position that is earned by hours of hard work and dedication to their projects.

Thank you - [Vulcan Materials Company!](#)

Our ranch has been blessed with 40 tons of sand and base rock from Vulcan Materials Company! We are prepared for the winter mud, new pens, and a showmanship arena.

We are so fortunate to have the ongoing support of [Silverado Farming Company, Inc.](#), [Walsh Vineyard Management](#) and of Dick Grace. With these commitments from our local community, Ag4Youth is able to set and meet goals towards helping our local youth.
